Dear Elkins High School Senior,

I would like to announce the creation of a new scholarship that is designed to reward that really good person who is always helping someone, that person who is constantly performing acts of kindness. I created this scholarship in memory of a dear family member, Austen Wesley Moore.

I need your help. I am seeking your nomination of classmates that fit that description. You must be selfless to help a deserving person get this scholarship. I need you to take the time to write why you feel the friend or classmate is so helpful. Describe the behavior or deeds that make him or her special. There is no restriction with grade point average. In other words, one does not have to be the best student -just the best person.

The scholarship is for \$500.00. The nominee should be from the class of 2019. The last date to submit your nomination for the scholarship is April 1, 2019. Please drop your essay/ nomination letter in guidance any time before that date. Austen was a wonderful person who always tried to help others. I know you know someone like him.

Thank you for your time.

Sincerely,

A handwritten signature in cursive script that reads "Joann Gabel". The signature is written in dark ink and is positioned above the printed name.
